RESOLUTION N° 51/04

**HONORABLE UNIVERSITY COUNCIL**

December 13<sup>th</sup>, 2004

**CONSIDERING**

That the Direction of National and International Relations, Agreements as well as Scholarships, by note N° 736/04, of december 6 on course, has asked formally to the University Council to concede the academic degree of "Doctor Honoris Causa", to citizen JIM ALLEN.

That in accordance with the adjunct curriculum vitae, the citizen JIM ALLEN, who was born on august 11 of 1948 in Great Britain, as a cartographer, photographic interpreter has dedicated all his intellectual effort to historic research, product of which he has published numerous books, highlighting the one entitle "ATLANTIS: THE ANDES SOLUTION", work with which tries to prove the theory that the Atlantis should had been located in the region of Pampa Aullagas of the Department of Oruro.

That the numerous works published by the researcher JIM ALLEN about the theory of the location of the Atlantis in the Department of Oruro, have waked up the concern of the scientists of all the world, who have fixed their attention in this region that, as a consequence, it has constituted in a new touristic attraction of all who are interested on this theme.

**CONSIDERING**

That the paragraph 9) of the article 47 of the Organic Statute of the Technical University of Oruro, establishes that it is attribution of the Honorable University Council: "To confer the degree of Doctor Honoris Causa" to eminent personalities being creditors of this academic distinction with qualified merits, by two thirds of votes, possess or not, a academic degree like the one awarded by other universities.

Therefore, **IT IS RESOLVED** :

**FIRST**

To Concede the academic degree of "Doctor Honoris Causa" to the eminent britain researcher JIM ALLEN by his invaluable cartographic, geological and palenteological studies going to sustain the theory of location of the legendary Atlantis in the territory of the Department of Oruro and by his great contribution into general historic research

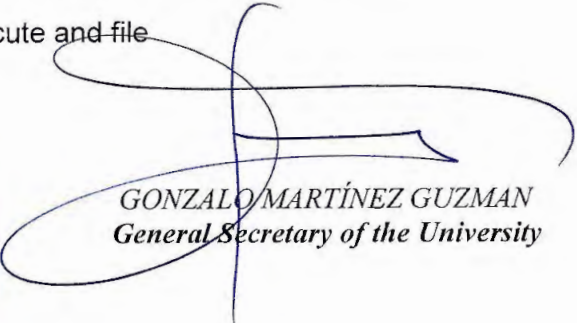

**SECOND**

The University President will deliver a certificate that attests the concession of the distinction discerned by de Technical University of Oruro, which will be deliver in a public act.

Make it to know, execute and file
